

Petition for the Enactment & Passage of the Election Funding Amendment to the United States Constitution

Make **YOUR** vote count -control **who** can donate money and **how much** to the election of public servants.
Pass the Election Funding 28th Amendment to the US Constitution.

Proposed 28th Amendment to the US Constitution: *“All campaign and election funds for public office will be provided for by the local, state, or federal government for which office the candidate is seeking election. No other contributions will be allowed except from citizens and not in excess of \$500.00 or an amount established annually by Congress. No election or campaign funding can be given by any other entity or persons except validated citizens of the electorate.”*

TO: Congress Person _____

We, the undersigned registered voters residing within the State of _____, by signing this petition express our support for the Election Funding Amendment to the United States Constitution as the 28th Amendment.

Every person who is a legal citizen of the United States is authorized to sign this petition. Only one signature is allowed for these petitions and must be signed with your true name.
